

Cliffwood Beach Cliffwood

Is your vote for sale?

**The Aberdeen governing body must think that it is!
Democrats have been in complete control of this body for
12 years!**

**Why did they wait until six weeks before an election
to announce they are seeking funding for our beachfront?**

The amount: a grand total of \$372,000.

**What do you think can be accomplished with that small amount,
assuming they get the funding
and after engineering costs are paid?**

**(Note: The Keyport beach project cost is \$3.5 million dollars,
most of which is from grants.)**

**This Aberdeen Democrat sponsored beach project is
a cheap election year ploy designed to buy your vote!**

Tell them your vote is
not for sale!

**You want real progress!
On Election Day, Tuesday Nov. 6
elect the
New Team for Aberdeen,**
