

Dear 

We are happy to have had the opportunity to serve the people of Aberdeen Township and have dedicated much of our time to our community. Our team, Vinnie Vinci, Wilhelmina Gumbs and Owen Drapkin, as current Township Council members and Janice Gallo as Vice Chairperson of the Township Planning Board and long time community volunteer, has worked hard to improve Aberdeen. Due to our hard work, the municipal tax rate has remained stable for approximately 10 years while important services have been provided to our residents. We have rebuilt or resurfaced 126 roads, invested in parks and the town's infrastructure and preserved more than 100 acres of open space forever.

All of us, Vinnie, Wilhelmina, Owen and Janice will strive to keep Aberdeen a great place to live. We urge you to vote Column 2 for our entire team for Aberdeen Township Council on November 6<sup>th</sup>

Sincerely,

*Wilhelmina*

*Don't forget us.*
